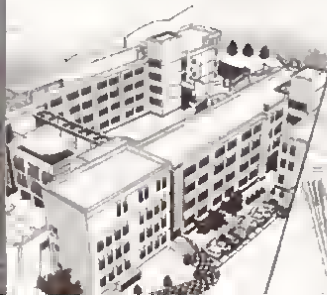
YOU STUPID BRATS!

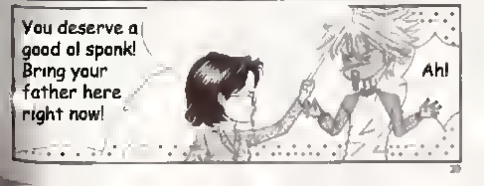


Kain has a special type of blood and when she starts bleeding it doesn't stop as well as it does for others!

!

An ambulance did come, but we still have to look out for her!

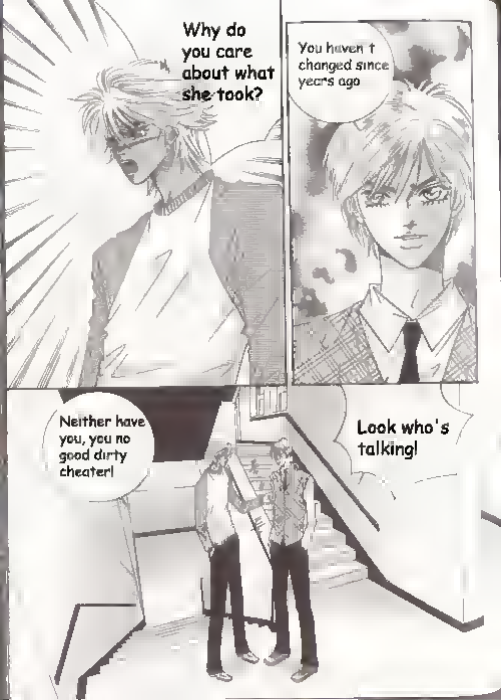
Hmph! she looked like she could fight a bull.
I was trying to help...
Sorry.



You deserve a good ol spank! Bring your father here right now!
Ah!

NO... ANYTHING BUT THAT... MY DAD WILL KICK ME OUT, OR WORSE!
Well, it is hard to deal with trapping's death.
Then help Kain out at the hospital. You too, Luchi.
Luchi-san?

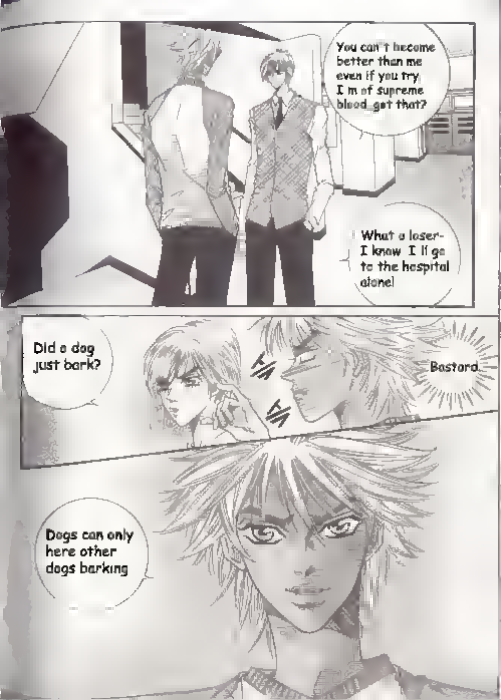
Really.. Kan's parents died when she was real little and she has no cousins
She didn't look so much like a weakling at first, right ?
What you feel sorry now of all times/.
I had a reason. She stole something really important to me
What did she take?



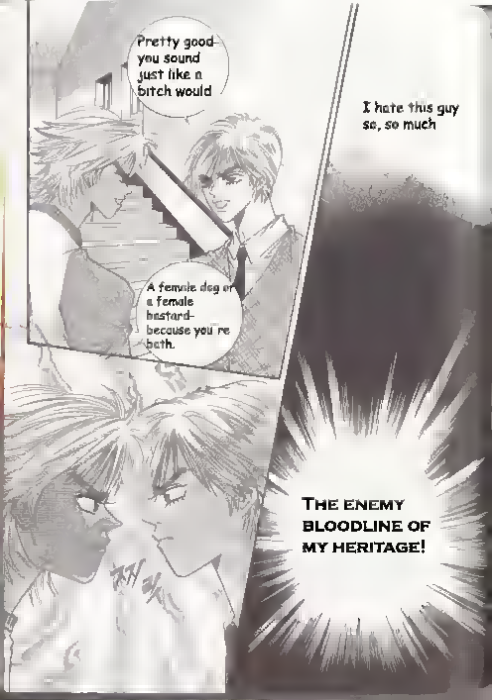
Why do you care about what she took?
You haven't changed since years ago
Look who's talking!
Neither have you, you no good dirty cheater!

I'll kill you!
Why don't you? Too scared?
Family enemy!
Enemy of my household!
We've studied under the same teacher for years, but I still hate you!
You're only popular because of your family.
WHAT?

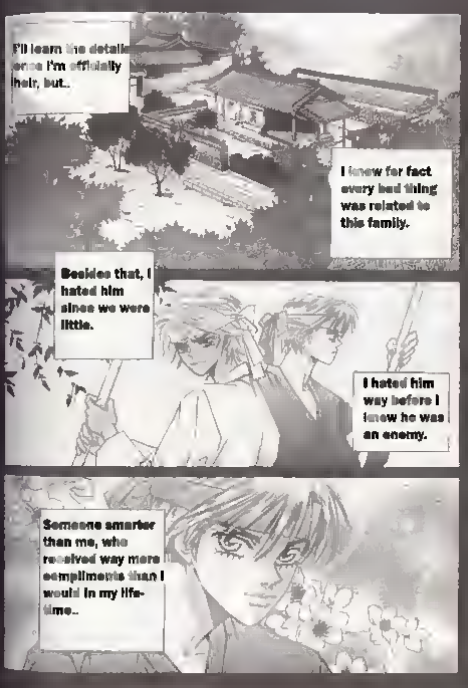
My dad will call me crazy for even talking to someone like you. The only reason I forgive you is because you are worse than trash, you don't even deserve bad mouthing.
Hmm, you're talking to yourself?
You piece of shit!
You don't even deserve to talk, trash boy.



You can't become better than me even if you try I'm of supreme blood, get that?
What a loser- I know I'll go to the hospital alone!
Did a dog just bark?
Bastard
Dogs can only here other dogs barking

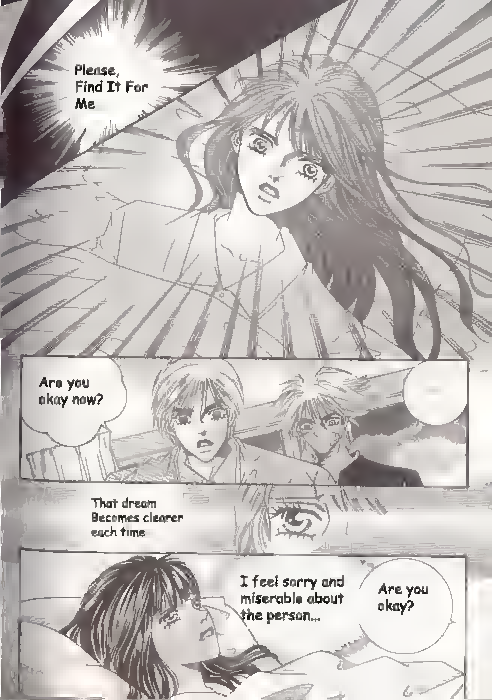


Pretty good you sound just like a bitch would
A female dog or a female bastard- because you're both.
I hate this guy so, so much
THE ENEMY BLOODLINE OF MY HERITAGE!



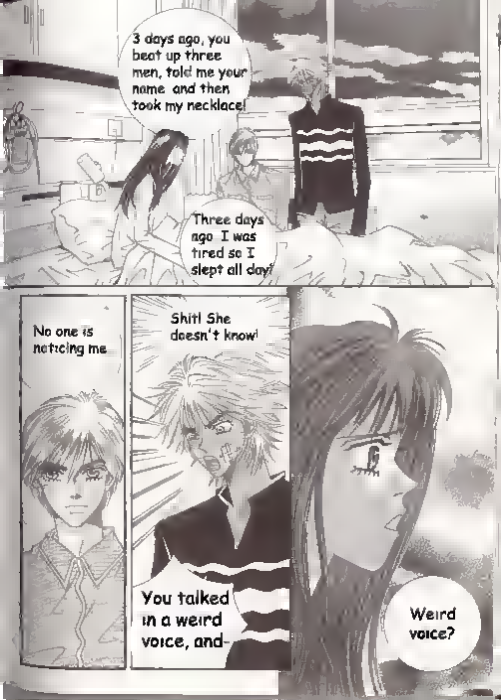
I'll learn the details once I'm officially their heir, but..
I knew for fact every bad thing was related to this family.
Besides that, I hated him since we were little.
I hated him way before I knew he was an enemy.
Someone smarter than me, who received way more compliments than I would in my life-time..

Where is it- how and when will I find it- I need it..
Who-?
I waited 500 years. I must find it soon..
He looks so pained. So sad and desperate..
Please find it for me!

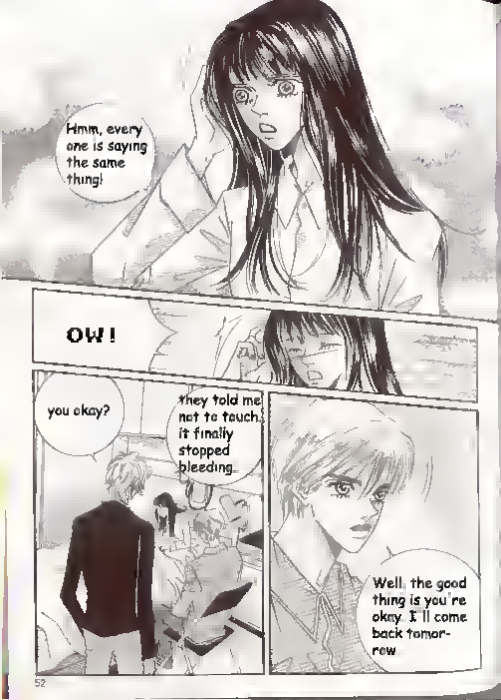


Please,
Find It For
Me
Are you
okay now?
That dream
Becomes clearer
each time
I feel sorry and
miserable about
the person...
Are you
okay?

Hey, boy standing up, why are you here?
Why are you here?
bossy..
I'm sorry. I didn't know you were.. sick.
Before you say sorry, what do you mean i took your necklace?
You really don't remember?



3 days ago, you beat up three men, told me your name and then took my necklace!
Three days ago I was tired so I slept all day!
No one is noticing me.
Shit! She doesn't know!
You talked in a weird voice, and-
Weird voice?

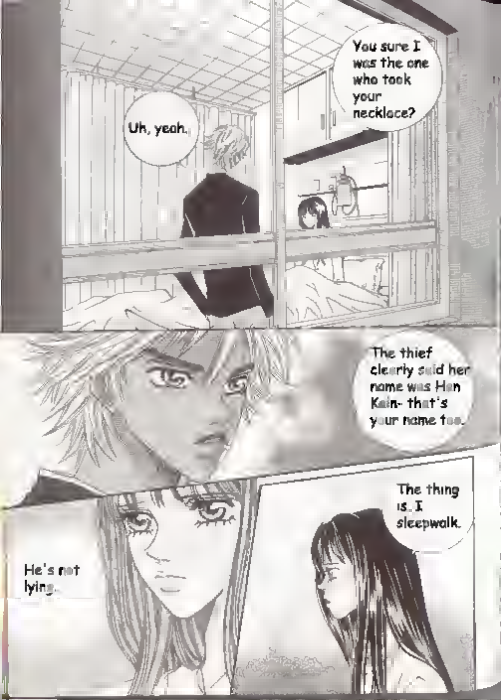


Hmm, every one is saying the same thing!
OW!
you okay?
they told me not to touch. it finally stopped bleeding.
Well, the good thing is you're okay. I'll come back tomorrow

You can stay here.
Hey! You're trying to blame me!
Oh, and~
Should I tell you something good?
I'm eighteen today I'm taking over the household~~
today we're celebrating
!

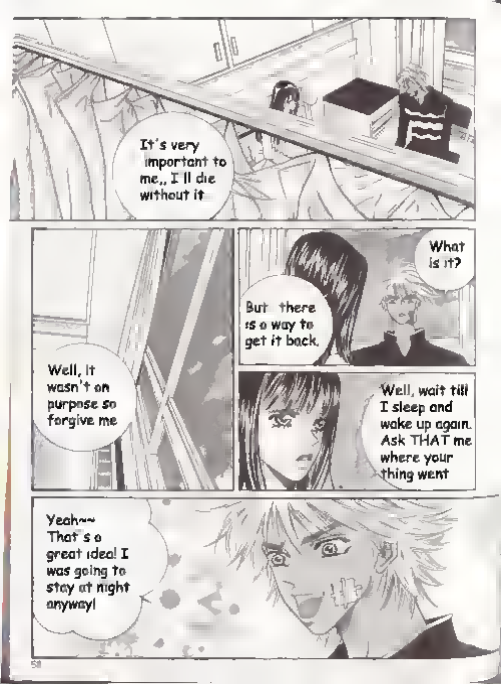
I'm not even the oldest, but I'm so brilliant that all my brothers gave up their position.
And you're not even sure you'll get the Sacred Sword
BASTARD!
SHUT UP AND LEAVE!
sacred sword?

Fifty percent of you being hurt is mine job, so I'll be back
Taepung's a brat so be wary of him!
Uh, sure
...
You're going to stay?
That's why I'm here, so yeah.
You said I spoke in a weird voice--?



You sure I was the one who took your necklace?
Uh, yeah.
The thief clearly said her name was Han Kain- that's your name too.
The thing is...I sleepwalk.
He's not lying.

Like, you wake up at night and walk around?
I don't remember anything, but people tell me.
Sleepwalk?
Yeah.
And they all say the same thing, that my voice sounded weird
You really don't remember?
No— I'm sorry about your necklace.



It's very important to me,, I'll die without it
What is it?
But there is a way to get it back.
Well, it wasn't on purpose so forgive me
Well, wait till I sleep and wake up again. Ask THAT me where your thing went
Yeah~~ That's a great idea! I was going to stay at night anyway!

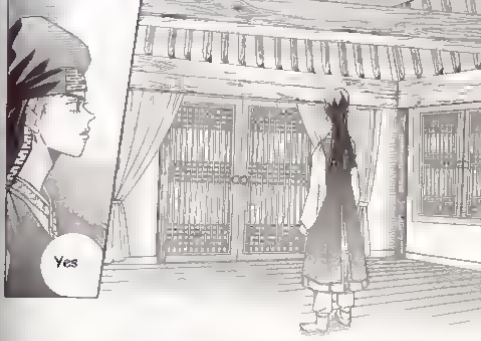
Then we need to go to your house. I can't sleep in hospitals.
You can't sleep anywhere but home either! Me too!
Well, I can sleep anywhere. Just not at a hospital
Well, then, let's go to my house!

At your house? There's no one else at my place.
Well then we'll go to your house.
Don't worry, I'll protect you. I owe you one, remember?
If I don't get the necklace back I'll be kicked out. And you'll have to take care of me.
So? Forever or just today?
That's a threat, isn't it?

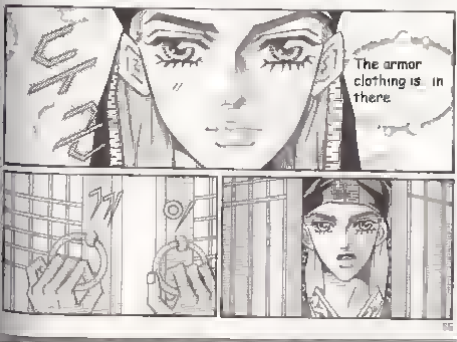
Well, you don't got to worry I m #1 husband material
Should I trust that stupid? Well, it's better than taking care of him forever.
I bought you clothes, come out after wearing it
Oh, I don't know..
How do you feel?

Now that I'm wearing this I feel like I'm in heaven
If your brothers saw you, they would be so proud
When the armor is officially mine, I'll bring them back. Don't worry.
Alright, Lucha.

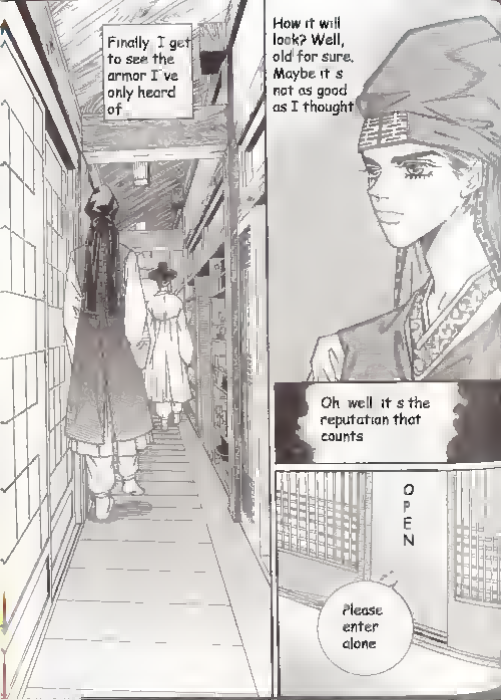
It's almost time. please get ready
Yes Father
There will be a time when you miss everything that you have now. Treasure everything
Come on I'll take you to the armor
Of course, Father



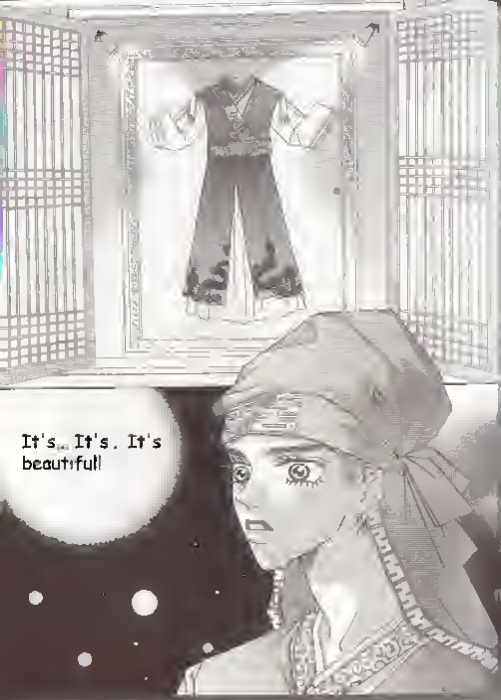
Yes



The armor clothing is in there



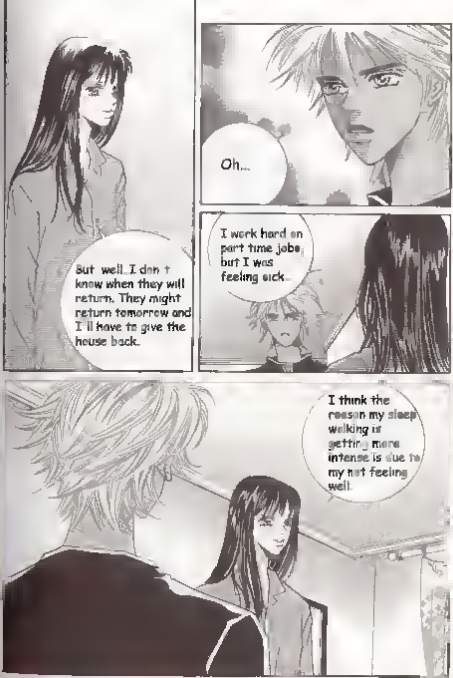
Finally I get to see the armor I've only heard of
How it will look? Well, old for sure. Maybe it s not as good as I thought
Oh well it s the reputation that counts
OPEN
Please enter alone



It's... It's. It's beautiful!

Elegance is coming from it..
CLOSE!
How is it?
It's worth having waited 18 years I hope I become worthy of it

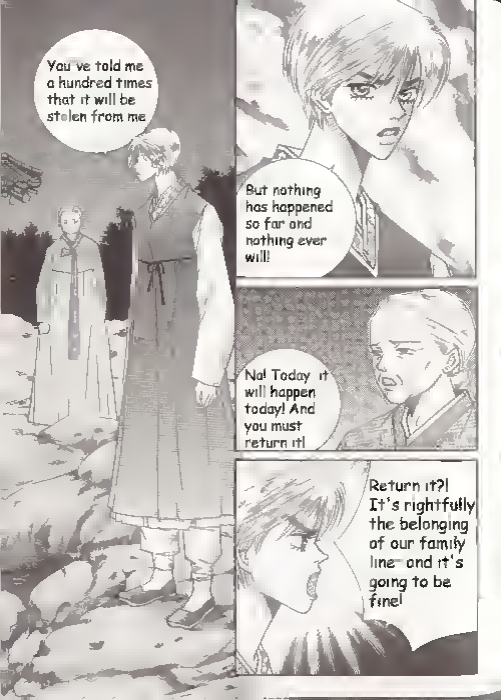
We're here.
You live alone HERE? It's a good place!
Oh, no. There's a landlord. I'm just renting it.
This house isn't yours? Well, duh.
The land lord was someone I got to know during a part time job. He was going on a long trip, so he lent me the space.



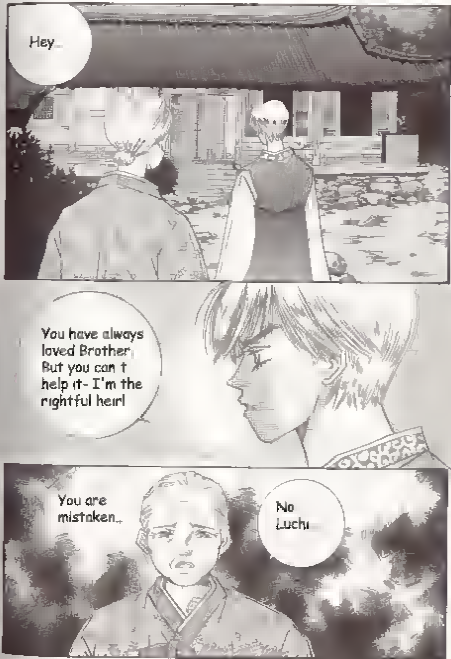
But well..I don't know when they will return. They might return tomorrow and I'll have to give the house back.
Oh...
I work hard on part time jobs, but I was feeling sick..
I think the reason my sleep walking is getting more intense is due to my not feeling well.

I'll cook for you! You're a friend in need, after all!
No, no, just order something!
You can wait while I cook! Is there a store nearby?

Everything is perfect
Luchi..
I must tell you something
What must you say?
You still hate me huh? I was doing it for you, dear..
Just be quiet and leave me alone
to take the clothing from you. And you'll have it stolen.



You've told me a hundred times that it will be stolen from me
But nothing has happened so far and nothing ever will!
No! Today it will happen today! And you must return it!
Return it?! It's rightfully the belonging of our family line and it's going to be fine!



Hey...
You have always loved Brother. But you can't help it- I'm the rightful heir!
You are mistaken...
No Luchi
